"At Gateway, our volunteers have shown the Harder Truth hundreds of times over the past few years and the Lord has saved dozens of babies lives as a result. Hardly a day goes by that we don't see an abortion minded man or woman have their heart radically changed on the spot through this God given tool. We encourage anyone who really desires to allow the Lord to dramatically speak to a needy heart to buy many copies, give many away and personally use this powerful tool in the counseling of pregnant women considering abortion."
